The children of Sacred Heart school
enjoyed their annual Christmas fes-

ranged programme was carried out by
the children of different grades and
in every way the afternoon was made
very cheery for the children. The hall
was well filled when the opening num-
ber of the programme commenced at
3 o'clock with the children and their
parents. The stage was attractively
decorated and in the center was a
large open fireplace and chimney made

MEDICAL MEN AT STATE HOSPITAL
Norwich Society Entertained by President Henry M. Pollock
on Monday Evening—Dr. Klein Read Instructive Paper
on the Wassermann Reaction and Luncheon and Enter-
tainment Followed.

Following a custom that has now
become annual, the members of the
Norwich Medical society, instead of
meeting at the Wassermann house
for their monthly gathering, went
down to the Norwich State hospi-
tal on Monday evening, where they
found a cordial reception from Su-
perintendent H. M. Pollock, president of
the society, and the other members of
the state hospital staff. There was an
attendance of about twenty-five phy-
sicians, and the special topic of the
evening was the Wassermann Reac-
tion, an illuminating paper on which
was read by Dr. S. R. Klein, ap-
pointed pathologist to the institu-
tion. The paper related to this com-
paratively recent discovery of a bac-
teriological method for the detection
of syphilis and further of telling

400 CHRISTMAS DINNERS
BY SALVATION ARMY
Many Families Will Be Remembered
by the Local Corps, but Contribu-
tions Coming Slowly.

According to present indications,
Captain E. W. White of the local Sal-
vation Army corps will be called upon
to provide Christmas dinners for from
between 350 and 400 people in the city
who are unable to provide for them-
selves, and the captain said on Mon-
day night that no one would be over-
looked if present plans mature. This
means between 70 and 80 families, al-
lowing an average of five members to
each family. Each basket prepared
will contain enough food to ordinarily
feed at least six persons. Of course,
the captain said, if he is able to pro-
vide one basket for each family no one
will be in want when Christmas day
dawns in Norwich. Of course, this
means a good deal of labor on the part
of the Salvation Army, and the cap-
tain is giving practically all his time
to the work. The work is on duty in
the square daily, but contributions are
not coming in as rapidly as expected.
However, the captain said Monday
night, that he expects that they will
be increased materially in the next
two or three days. Names of worthy
poor are daily coming to his notice
through the thoughtfulness of grocery-
men, insurance agents and others who
have access to the daily life of the
city's poor.

\$30,000 EXPECTED FROM
RED CROSS STAMPS SALE.
Over \$30,000 Will Be Disposed of Be-
fore Christmas Day in Connecticut,
the Agents Believe.

The work of selling Red Cross seals
in Connecticut this year has been a
marked success. Over \$30,000 stamps
have already been sold, and it is ex-
pected that over \$30,000 will be dis-
posed of before Christmas day, when
the season will end. These figures
show that the funds from the sale of
stamps available in this state will be
\$30,000.
This money will be spent for the
benefit of those suffering from tuber-
culosis, under the direction of the ex-
ecutive committee. All the ex-
penditures must be approved by the
commission.
The work of selling the stamps has
been in charge of H. E. Clearman,
agent of the National Anti-Tubercu-
losis society.
He is assisted by 32 agents dis-
tributed throughout the state. Mr.
Clearman will return to Washington,
D. C., in about a month to resume his
duties at headquarters.

Not a Member of Salvation Army.
Concerning the statement that Jen-
nie Pixley, who was recently divorced,
was a member of the Salvation Army,
Captain Wilbur of the local headquar-
ters states that such is not the case.
The statement will end. These figures
show that the funds from the sale of
stamps available in this state will be
\$30,000.

Taftville Team Poor Losers.
The Taftville soccer football men
and their royal followers are quite
a down-hearted bunch over the loss
of their title and the Bulletin cup
of Plunkett last Saturday. One of
two players sustained slight injuries,
Bob Pilling injured his knee and De-
sardine received a severe boot on the
leg. It is rumored that the second
team is going to challenge the first
team for a chicken supper.

Hockey Game Postponed.
The hockey game that was sched-
uled to be played Monday afternoon
between the local team and the school
boys was postponed on account of the
weather, but will be played as soon
as there is good skating. These two
teams are playing a series, the first
game being played last Friday after-
noon when the school boys won out
after a hot match, by two points.

Held Regular Practice.
The Taftville basketball team held
their regular practice in Parish hall
on Monday evening in preparation for
the big game with Torrington Christ-
mas afternoon. The members had a
stiff workout and ended the evening's
work with a hard scrimmage which
picked up team that showed lots of
life and furnished excellent practice
for the team.

Local Jottings.
Henry Teller of Williamstown was
a caller here on Sunday.
The Sacred Heart school closed for
the Christmas vacation Monday.
Henry Fontaine of New London
spent Sunday here with friends.

The public school had one session
Monday on account of the bad weather.

joying their annual Christmas vaca-
tion.

Lisbon, is at her home for the Christ-
mas vacation.

family over Sunday.

ing the Christmas holidays with his
parents on Providence street.

nal mill were kept busy Monday
